OneZoo CDT : Supervisor Project Proposals 2023

Page 1: OneZoo CDT Project Proposals: 2023-24 Intake

Call for Projects now OPEN closes noon 28 Feb 2023

Please refer to the FAQ document when completing your project proposal (https://peter-kille.github.io/OneZoo/faqs.html). This form should be submitted **by Noon on 28th Feb 2023** at the latest.

Please note that this form can be saved and completed in stages BUT **cannot be shared** with other people. If you wish to collaborate and share your answers before submission, then you will have to do this via a Word document and then cut and paste your answers into this form at a later stage.

Once you have submitted the form it cannot be revised or amended. If you realise you have made a mistake after submission (clicking on the 'Finish' button) you will need to re-do the whole form and let us know so that we can delete the previous version.

Data Protection

For the purposes of this survey, Cardiff University is the data controller. All data collected in this survey will be held securely by the survey software provider (JISC) under contract, managed, and then retained by OneZoo CDT in accordance with the GDPR (2018). Data from the survey, including answers to questions where personal details are requested, will only be used by the OneZoo Centre for Doctoral Training to select projects for the forthcoming recruitment of 2023 Cohort students.

Cookies, personal data stored by your Web browser, are not used in this survey.

Page 2: Project Details

1. Project Title: ✱ *Required*

[   ]

CASE studentships will be particularly welcome; a CASE studentship includes a **minimum** contribution of £1,000 per annum to the student's RTSG and a minimum three month placement (up to 18 months) which can be spread over the project lifetime. There is also an expectation that the partner will cover a student's out-of-pocket expenses, such as travel to the site, and provide access to the resources, facilities and equipment necessary to carry out the project.

2. Is this a CASE studentship (Yes or NO) ✱ *Required*

○ Yes
○ No

3. Please select the most relevant research theme(s) (tick 1 or more) ✱ *Required*

☐ 1) Disease Preparedness: detection, environmental monitoring (novel sampling approaches; innovative technologies/diagnostics), horizon scanning and risk assessment;

☐ 2) Disease Transmission: pathways and connectivity of drivers of infection, disease emergence and spread (the effects of anthropogenic and environmental change, evolution, human and animal movement patterns, socioeconomic and political drivers);

☐ 3) Disease Control: integrated solutions for sustainable management and mitigation of zoonoses (environmental, socio-political and therapeutic barriers to transmission, including changing habitat, landuse and animal practices).

If your project is approved, the responses to question 3 will be used to advertise your project to candidates, so please be brief and use an advertorial style. Ideally use no more than 50 words per subsection. We may request images to go with the text from approved projects.

A full project description is requested in the next section.

4. What does a student need to know about this project and why is your supervisory team best to support it? ✱ *Required*

[blank answer box]

4.a. What expertise will the student develop? ✳ *Required*

Your answer should be no more than 400 characters long.

[blank answer box]

4.b. Why is the project novel? ✳ *Required*

Your answer should be no more than 400 characters long.

[blank answer box]

4.c. What real-life challenge does it address? ✳ *Required*

Your answer should be no more than 400 characters long.

[blank answer box]

4.d. What multi-, inter- or trans-disciplinarity research is involved? ✳ *Required*

Your answer should be no more than 400 characters long.

Page 3: The Proposed Project

Please refer to project selection criteria and the FAQ and consider how your project meets the key criteria/foci.

You may include details on additional funding, access to facilities and resources, stakeholder engagement, professional development opportunities, engagement with other Doctoral Training initiatives etc.

5. Please describe the proposed project, including the student experience (4000 characters including spaces):
✱ *Required*

Your answer should be no more than 4000 characters long.

6. Please describe the roles of members of the academic supervisory team in the project eg discipline expertise, methodological input, training, access to resources, amount of supervisory time

_7._ Please outline what the stakeholder/CASE Partner will be bringing to the project, eg amount of supervisory time, the offer of placement (including length, if applicable) contribution to RTSG, and access to resources/materials/data (4000 characters including spaces).

Your answer should be no more than 4000 characters long.

_8._ What impact might the project have and what are the potential benefits of the project to the Stakeholder/CASE partner? For instance, how would the project link to a specific priority programme, affect operations or procedures?

Your answer should be no more than 4500 characters long.

9. The CTP requires Lead Supervisors and Co-Supervisors to contribute to the training environment of the CTP during the course of the studentship. Outline what you can commit as an individual and/or a Team (e.g. suggest the title of a training seminar that you or a member of your supervisory team could deliver to our students, run a workshop, lecture, host a stakeholder visit, organize an external visit).

10. Without reference to the characteristics of the supervisory team, please provide details as to whether equality, diversity and inclusion are considered within the design or scope of the project, or the intended training of the student (no character limit)

11. What are the anticipated additional project costs per year (e.g. for consumables, travel)? Note: we provide a total RSTG of £8,250 for the duration of the PhD. Please provide an indication of the nature of the costs and how you as a project team, plan to fund these additional costs (no character limit). ✱ *Required*

12. Will the project require ethical approval? (no character limit) ✱ *Required*

○ Yes
○ No
